## You're Invited to JOIN US!

There are a lot of great things happening at EMS and we need every parent student, staff member, and community member to be involved, help share our highlights and join in the opportunities PTSA provides.

We have a few healthy goals to reach and one of them is increasing our voice by increasing our membership. Please join us today by completing the form in the link. Each membership is \$5 per person.

GOAL 100% STAFF / 100% PARENTS / 100% STUDENTS

1

### CREATES THE VILLAGE

That helps raise our students and strengthen our community.

2

### YOUR VOICE

Is the advocacy our students need to achieve their goals

3

### RESOURCES

The partnership with the school, community, and families provides the opportunities for the success of our students.

## PTSA OFFICERS NEEDED!

Due to COVID-19 your EMS PTSA was not able to conduct elections last year for new officers for the 2020-2021 school year. In addition, EMS is a one year school with new students each year and we would like to have PTSA officers that are closer to our students. If you would like to be considered for a PTSA officer seat, please send an email with your interest to [eastmsptsa@gmail.com](mailto:eastmsptsa@gmail.com)

All positions are currently available: President, Vice

President, Treasurer, and Secretary. Committee Chairs are needed as well: Hospitality, Fundraising, Membership, Key Communicator, Events Coordinator, Newsletter & Ambassador.

We are here to assist you in every way. We need you to continue the great relationship we have with our students and staff at East Middle School.

## “Planning Ahead” - Get the Money

One of the advantages of attending East Middle School Academy is the ability for our students to get a jump start on their higher education by their participation in the Accelerated Program, that leads to the dual enrollment in their Junior year. Have you started planning for college and how you will pay for your child’s college? Don’t pay for college! Millions of scholarship dollars go untouched every year because students do not apply for the funds. Register your student on [www.fastweb.com](http://www.fastweb.com) build a profile based on their subject interest. Fastweb will send you scholarship opportunities to apply for. Another website for scholarships is [www.scholarships.com](http://www.scholarships.com) both are great opportunities to receive scholarships for free tuition for your child’s higher education.

## MESSAGE FROM YOUR PTSA PRESIDENT

It has been a pleasure to serve as your EMS PTSA President. While this is a different kind of school year, I’m confident that together we can achieve and receive the best education for our students. I’m in hopes that you will become involved and engaged with PTSA this year as we have a lot of great things planned for the 2020-2021 school year. Please feel free to reach out if you have any questions about PTSA, getting involved, ideas to share for our students/staff, etc. We are always here to assist you. [eastmsptsa@gmail.com](mailto:eastmsptsa@gmail.com)

Advocacy for our students who don’t have the right to vote yet, make sound decisions for our students because they do not have the adult experiences as we do or just creating events to celebrate their achievements is just a small part of PTSA. Please accept this invitation to join PTSA, let your voice be heard for the sake of our students/staff, and become the most important part of our success. Your membership has great advantages
