

HAZELWOOD EARLY CHILDHOOD

Family Support PBIS Newsletter

MARCH: "TAKE CARE OF YOUR SCHOOL" MONTH

Practicing Spot's Rules

Take Care of your HOME by:

- Cleaning up your toys.
- Cleaning your room.
- Helping rake leaves.

Take Care of your SCHOOL by:

- Walking on the sidewalk to stay off of flowers that are popping up.
- Using trash cans and picking up trash around the school.
- Walking in the hallways with a quiet "inside" voice.
- Keeping the school bathrooms clean.

Behavior Tips for Chores

When you start your child with chores early on, they are usually eager to help. This makes it less of a struggle to get them to help around the house when they are older. Children ages 3-5 should be given 1-3 chores to complete on a regular basis. A sticker chart, verbal praise or a high five can be used to positively reinforce chore compliance. Below are a list of age appropriate chores for preschoolers:

- ☐ Be a laundry helper by matching socks.
- ☐ Carry dirty dishes to the sink after meals
- ☐ Spray and wipe the table/counter
- ☐ Spray and dust furniture
- ☐ Feed the family pet
- ☐ Put toys away (It might be helpful to have pictures of items on the containers where they go)
- ☐ Help an adult take out the trash/recycle
